

Letter received from National Grid regarding IFA2 information

Dear Lee-on-Solent Resident's Association,

Information events about the final plans for IFA2

In November 2017, Fareham Borough Council granted National Grid full planning permission for the project and agreed to lease land at Solent Airport, Daedalus to build a converter station. Following this decision we plan to start construction work in January / February 2018.

We would like to give local residents the opportunity to hear about the next stage of the IFA2 project and answer any questions that you may have. You can find out more at our information event, which will take place on **31st January 2018** between **4:30pm and 8:30pm** at **CEMAST College, 1 Meteor Way, Broom Way, Fareham, Lee-on-the-Solent PO13 9F.**

We hope to see you at the events. If you have any questions in the meantime, please contact us on 0800 0194 576 or info@ifa2interconnector.com

Kind regards,

Kate

For and on behalf of National Grid IFA2
